DINNERS

All dinners come with your choice of two sides or one deluxe side.

At Smoke BBQ Grill, our meats are dry rubbed with a special blend of spices and slow-smoked with apple wood. Our unique smoke process leads to a pink ring around the meat which accounts for the deep smoke flavor, leaving fork-tender meat that melts in your mouth. The smoke ring is not raw – it's a sign that the meat was successfully smoked slowly at a low temperature.
